What is GoodShield Protection Plan?

While your storage operator strives to maintain high standards of security, there could be events that might put your personal belongings in danger.

GoodShield Protection Plan provides you with added security and confidence against an unexpected loss of your stored belongings due to fire, smoke, lightning, wind, water damage, theft, and other select events.

How much protection should I get?

Choose protection options from \$1,000 to \$10,000 for as little as pennies a day with no deductible.

How do I pay for this protection?

The nominal charge is conveniently billed and paid as part of your monthly storage rent.

How do I get started?

Signing up is easy – just tell the operator of this facility that you want GoodShield protection.
